

Boil Water Advisory Lifted

Important Information About Your Drinking Water

ESTE INFORME CONTIENE INFORMACION IMPORTANTE ACERCA DE SU AGUA POTABLE. HAGA QUE ALGUIEN LO TRADUZCA PARA USTED, O HABLE CON ALGUIEN QUE LO ENTIENDA.

Some customers of BCWSA located on Oak Avenue and a section of Bellevue Avenue in Langhorne were notified to boil their water before using it due to a main break that occurred on July 11, 2026. We are pleased to report that the main break was repaired, and all laboratory tests have been completed and show that there is no bacteria in the water. It is no longer necessary to boil your water.

We apologize for any inconvenience you may have experienced and thank you for your patience and understanding during this unforeseen event.

As always, you may contact our office at 215-343-2538 with any questions you may have.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
